DIFFERENTIATORS

SDVOSB: Colorado-based Allegiance Consulting is a **CVE** certified Service-Disabled Veteran-Owned Small Business (SDVOSB).

Our team has extensive experience recruiting high-quality professionals for all IT disciplines serving both the private sector and government entities to enable our clients to accomplish their tasks, meet project deadlines, and build out their teams.

May 2015: Allegiance Consulting was awarded **SBA’s 2015 Region 8 Small Business Subcontractor of the Year**. Allegiance Consulting was nominated and selected for this prestigious award by the Department of Energy (DOE), National Renewable Energy Laboratory (NREL) for providing outstanding, as needed IT staff augmentation services. Region VIII includes: Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming.

Facility Security Clearance: by the United States Defense Department’s Defense Security Service (DSS); Allegiance can perform IT/Professional services, requiring personnel to hold and maintain a Secret or Top Secret clearance.

Allegiance Consulting, Inc. (ACI) strives to be recognized by our clients, industry and peers for our people, performance and integrity. Our goal is to continually build long-term client relationships as a trusted, go-to IT workforce services partner by delivering exceptional service and value that contributes to our client’s goals and success

“No matter the requirement, our clients consider ACI a “go-to” partner to help them accomplish their tasks”
