

## CAPABILITY STATEMENT

### COMPANY PROFILE

**Allegiance Consulting, Inc. (ACI)** provides Information Technology (IT) staffing and professional workforce services on a contract, contract-to-hire and permanent hire basis, to private and public-sector entities across the continental U.S. ACI was founded in 2005 and is based in Littleton, Colorado.

- ACI offers the agility and low overhead of a small business, combined with the knowledge and expertise of a large company. ACI currently provides services in more than 15 states.
- Our core team has over fifty years of combined experience working with small to large companies in industries such as Information Technology, Aerospace, Aviation, Bio-Tech Pharma, Commercial Construction, Financial, Government, Healthcare, Marketing/Advertising, Medical Device, Telecommunications, etc.

In addition, ACI also has experience with Engineering, Accounting & Finance, and Administrative staffing services.

- ACI's determination, trust, and ethics are key ingredients adding the most value for organizations as a strategy to pursue, for their hiring challenges today.
- ACI helps organizations build teams through collaboration as a partner. Collaboration is key for organizations to target the right talent. Collaboration and relationships with our clients enable us to become an advocate on their behalf to tell their story to attract the right talent to their organization.
- Our extensive IT services experience, determination, trust, and ethics without the hype or clever taglines enables long-term client relationships as a go-to IT/Professional Services workforce partner.
